EFS 90 footrest heatable-13210

EFS 90 footrest heatable

EFS 90 footrest heatable

The footrests from meychair are manufactured according to ergonomic principles. They adapt to every work situation thanks to optimal adjustment options. A professional footrest needs two adjustment options in order to be able to make an optimal and ergonomic adjustment:

Height and tilt adjustment. The meychair footrest EFS 90 H can even be adjusted continuously. A free adjustment allows a quick individual adjustment of height and inclination. In addition, the height of the EFS 90 H can be conveniently adjusted quickly and easily using a foot release.

The EFS 90 H meychair footrest is heatable.

Special features: Height and tilt adjustable. Height adjustment via foot release. Non-slip. Heatable. CE-certified with extra long cable (approx. 2.20 cm).

Material footplate and release button:

Foot plate, plastic (ABS)
Release button, PA6

Manufactured according to DIN 4556
CE certified
