EFS 90 footrest solid beech wood light-13211

Beech wood light, EFS 90 footrest solid beech wood light

Beech wood light, EFS 90 footrest solid beech wood light

The footrests from meychair are manufactured according to ergonomic principles. They adapt to every work situation thanks to optimal adjustment options.

A professional footrest needs two adjustment options in order to be able to make an optimal and ergonomic adjustment:

Height and tilt adjustment. The meychair footrest EFS 90 made of solid beech can even be adjusted steplessly. A free adjustment allows a quick individual adjustment of height and inclination. In addition, the height of the EFS 90 can be conveniently adjusted quickly and easily using a foot release.

Special features: Height and tilt adjustable. Height adjustment via foot release. Solid beech finish (dark brown).

Manufactured according to DIN 4556
