EFS 92 footrest

---

EFS 92 footrest

The footrests from meychair are manufactured according to ergonomic principles. They adapt to every work situation thanks to optimal adjustment options.

A professional footrest needs two adjustment options in order to be able to make an optimal and ergonomic adjustment:

Height and tilt adjustment. The meychair footrest EFS 92 is even infinitely adjustable. A free adjustment allows a quick individual adjustment of height and inclination. In addition, the height of the EFS 92 can be conveniently adjusted quickly and easily using a foot release.

Special features: Height and tilt adjustable. Height adjustment via foot release.

Material foot plate and release button:

Foot plate, plastic (ABS)

Release button, PA6

Manufactured according to DIN 4556

Item no.: 13206
